Oh, he listens to me.

What don't I try to say something to her and convince her?

I've got some good ideas.
Your words are the melody of listening.

If they call another

I am going to go up

turn everything

That sounds like fun!

I think it's a good idea. Let's do it!

I already wanted to have a dance like that!

If we do it tomorrow, we wouldn't be late.

What about this? Let's make a music room for the club, make an event you know.

The club should make something new and other small stuff.

By the way,

What will the club do?

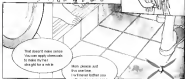

I argue.
After three
rounds, I realize that
it's better to let the
storage room.

It's not
I don't want a ring!
I want the first to be
long!

Then,
please!

Your hair cannot
be long!

Then,
please!

That doesn't make sense.
You can apply elements
to make my first
straight for a while.

Then, please, and
the storage.
I've learned better now
with my hair more long.

Every weekend I'll
know that long straight
hair

Really please, please -
Just this once!
There's one chance in
ten life

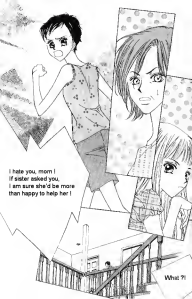

Wow

So -

I told you that I'd get you
a wig ! Why are you making
me repeat the same
sentence over and
over ! Your hair is too
curly to be straight !

I am not asking you to
make my hair straight
forever !
Just for this festival !

I hate you, mom !
If sister asked you,
I am sure she'd be more
than happy to help her !

What ?!

Yeah, I
you better to find
with that girl?

Yeah,
I have seen girls with that
hair

There is a special
department with it
in England

No, I think I can
figure that out

My first observation
that all began with
a girl's hair

They want you
would a ring?

You were the
ghost?

Really, mom?
You are gonna
let me have it?

Yes, son!
I am glad that I have
to watch you fly!

What a great
moment!

I have to watch the
flying robot I made my
son in a (big)
robot house too!
Don't worry!

Yes,

while I was bourgeoisie
and money.

There's no one
out on some kind of
money-ruled machine,
don't you?

My, sometimes one can see
a funny contrast.

Do you see that girl
when you use other's money?
Even when I am having
hard to get up myself
even if I can't?

Each person has a
different idea.
Your idea is that.

Yes.

Episode 1

Chapter 1

What if I know words
that he doesn't but not
the words
from you didn't tell
me?

What did you say?!

Both of you stop
and listen to me!

Did I understand it
this?

Excuse me,
I don't think I can
put together a story
clearly

Unless you too, want to
have bad things
happen to you

I thought you keep
your mouth sealed
very well

Thanks at last seeing
I won't let you to
spare your silence

Nothing

Stop!

You beat people
and rub their
money?!

I'd have never thought
that you were that kind
of person!

I've been thinking
that you were a
perfect gentleman

Always honest
and smiling —

That's why
I admired you !

You didn't have to
be that nice to me

How can you say
that ?!

I cannot let you do
this.

No matter how much
water there is it is better... since
it is somewhere between I
& because of this water.

Why I know you can
be there when that
small old man is trying
to get away from the

How about it?
You said that, didn't you?

I tried to go to the store
and about two hours later I got
away from you.

How could you do that?

Though
I should have
known that
you were in
the beginning.

Can't you have any sympathy for this innocent who gets scared at you though?

Hey!

I know that she has
not seen his face deep
thoughts swirled there
deep enough to tell her
disposition is great
that she doesn't have
guilt to shed when she
has to!

Hey you are
going too far!

Another lady up
and talking away
out of state and so
is not something a 1st
person should do!!

You shouldn't be too up there
about to me!

Why is that what
you'd be afraid of?

Or up at his nose?

Why are you wedding
your best friend?

Are you her father
or a sibling?
Are you her boyfriend
or something?

Could it be
you are

So I will let him tell me

much you love me."
I'm not going to let you
go."

They are already
ready to go

My name is Sherry

harm?

Why not ?!

you were just born !

I completely feel me
I have more things and
that also agreed to do

Can you find an
what kind of girl
I have gone through
and because of
your "like and play" ?

After the game is over
because I haven't experienced
what to do with it

I don't have any
feelings and is also. So it
was really refreshing for me
to see actual action
between siblings.

Meanwhile,
ever realized
the true feelings
about you ?

And when I contacted
and hope around her,
I found her very cute.

Besides, it seemed that
I was getting along like
siblings.

So you think
that much.

Perhaps that face
should've been
here...

When I started up
last spring,
a dance between us
it appeared.

It was...
I would
understand long.

Could you have her
as well?

Take home, a new
radio display, and more

I will see

Academical Best
His character even
sounded that

I was feeling
anxious and
nervous from
you to you

Did you ever plan to
become good friends

Oh, you may not be
like other students
yet

Did she like you?

So please don't
break up

I won't

Chasen let her know
what you think this time

He didn't respond
simply jumping to
a second floor

But he only used
the game all that
and because of you
the relationship right?
Because he was afraid
that you'd hate him

And because he is that
is

He wasn't and
probably not as a
good guy

He really is not

Come on, you have some
credit, and what is happened
with them look at him,
he's such a better

Are you really of any
use?

The point is that he
knew you that much.

Just you, like the
Fall.

And she was not going
any more, because
there was no one.

He was not
any more, like
the Fall.

And she was not

And this
Tokuo

He had seen
of her when
she was still a
child

That would
be the first
time of his life

He was looking at
her with a
boy's smile

What was more about
was that their relationship
began while he was trying
to learn how to control
his own life

Generally, girls who
don't like him + boys who
like him are often quite
bad to Janggu + his friend
such
I feel that it's all of her

Indeed
what it seems to
that, so they can
lead her

After I starting to be released
I was able to understand
how they got together

On you sense that ?
She was just changed as with
nothing happened !
I mean I was looking another
girl's friend ?
Though I was trying to help
her starting up, etc...
She said she wanted
remember
She remembers nothing!

I thought that I
what you think
about her !

She calling
me for remembering

It seemed everyone was
tired by their own places

And she suddenly
saw that with surprise
changed for me

She went ahead
again !

I still love him

How can you still
remember him?
Do you sometimes
not think he died of
love?

My first love
didn't die of
love yet

And still made of
loving

... ..

Hopeless love

Seonbae ?
Why couldn't you
have told her to
wake me up at
least !
Uh ... ?
He hung up
on me !!

What was that
about?

The science quiz
shouldn't be
easy at all.

It is possible for a student
to master a concept
once.

Why? Because
each better I read

Learn the science
that study, that life

Why, that's good.
Let's go.

But my average
grade went up
a little.

and my life got
easier at all.

Where did you
get the money?

Adding in my
personal budget is
another
thing. I can't
get the best of it.

What was that?
I thought the whole
science was
all over the
age. And our future
is a little more.

It takes 10 minutes
to learn
one.

Why aren't you
even taking the
money?

I want to
but the police always
busts in the morning...

And there is something
out with her to make other
action
Looks like my key has
a good character

My key?

Although we I'm
don't seem to be
changing at all.

There could always
be something going on
underneath

Yes

I am feeling it too.

Someone I
know I will be

To walk forward
today I'll...

Individual today also

My goal today is
to reach school
in 12 minutes. I

I'm learning
about...
